FACE TREATMENT MENU

Cellstory / Miracletox Treatment

3500 CZK | 60 min

An innovative cosmetic procedure using patented Microspear® technology, it delivers results similar to 50,000 micro-punctures in the skin. This treatment smooths wrinkles, rejuvenates the skin, tightens facial contours, treats acne, brightens the skin, and reduces pigmentation.

Signature Facial Refresh

3500 CZK | 60 min

This treatment combines classic cosmetic procedures with personalized care. Skin diagnostics create a custom plan with carefully selected products for your skin's needs. It includes a facial massage, leaving your skin radiant and you feeling refreshed.

Fascia Treatment - Patented Release Cutter Technology

3500 CZK | 60 min

A face treatment using patented Release Cutter technology. It improves blood circulation, tightens skin, and revitalizes the skin's appearance. It reduces puffiness and scars while enhancing lymphatic function, helping remove toxins and excess water.

NAD+ Treatment

4500 CZK | 90 min

This technology uses high-pressure air needles and ultrasound to deliver serums deep into the skin, offering a non-invasive alternative to medical procedures. NAD+ promotes collagen and elastin regeneration. This treatment targets weakened skin areas, providing visible benefits after one session.

FACE TREATMENT MENU

Jetlag Treatment

2800 CZK | 60 min

This treatment, designed to rejuvenate the skin after a long flight, begins with a deep facial cleanse followed by a soothing ice mask to refresh tired skin. The treatment also incorporates CURE Light technology, which scientifically stimulates the skin's natural power, restoring elasticity, tone, and balance, boosting immunity, and activating skin cells. The experience is completed with a relaxing foot massage, bringing balance and energy back to both the body and mind.

Tropical Foot Wrap

3000 CZK | 45 min

This Fijian-inspired treatment revitalizes tired feet. It starts with a sugar scrub to exfoliate, followed by a hydrating body butter wrap, and concludes with a relaxing massage with exotic oil or lotion to refresh and illuminate the skin. The entire experience is brought to a soothing close with a gentle head massage, leaving you fully relaxed and rejuvenated.

BODY TREATMENT MENU

Shell Harmony Ritual

4000 CZK | 60 min

This luxurious Fijian-inspired ritual combines the therapeutic benefits of warm and cool shells for a truly rejuvenating experience. The treatment begins with a sugar scrub to exfoliate the skin, followed by a pressure massage with warm exotic oil to release tension. A full-body massage with alternating hot and cold shells mimics the rhythmic motion of ocean waves, relieving muscle tension and promoting deep relaxation. The experience continues with a hydrating body butter wrap, a light facial massage to refresh the skin, and concludes with a calming scalp massage, leaving you feeling balanced, revitalized, and serene.

Coconut Wave

4500 CZK | 90 min

This full-body treatment with warm coconut shells lifts, hydrates, and nourishes the skin, enhanced by a soothing coconut aroma. It begins with a pressure massage, followed by a warm shell massage, and finishes with a body butter wrap and relaxing head massage with exotic oil.

Sugar Breeze from Paradise

4500 CZK | 90 min

A deeply nourishing ritual that restores hydration, elasticity, and a radiant, youthful glow to the skin. Fijian sugarcane, combined with cold-pressed exotic oils, gently exfoliates, nourishes, and revitalizes. The treatment includes a full-body sugar scrub, hydration with exotic oil, and a relaxing massage, followed by a body butter wrap. It concludes with a soothing Fijian head massage using warm exotic oil, leaving you completely refreshed and rejuvenated.

BODY TREATMENT MENU

Kumano Brush Body Drainage Therapy

3500 CZK | 60 min

A luxurious treatment with unique SHAQUDA brushes that blend the traditional art of „Kumanofude“ with modern design. These brushes originate from Hiroshima and carry a legacy of 140 years of craftsmanship. Dry brushing, cherished for centuries for its beneficial effects on health and beauty, reaches a new level with these meticulously crafted brushes. The fine, expertly designed bristles stimulate the parasympathetic nervous system, inducing deep relaxation and a sense of inner calm. The brushing process promotes lymphatic circulation and gently removes dead skin cells. The treatment concludes with the application of oil, enhancing the absorption of active ingredients and leaving the skin soft, smooth, and healthy.
